Champagne and Sparkling

This is a wine that bares its soul like no other – a soul that “dances in the bottle” wrote the poet Charles Baudelaire in *Les Fleurs du Mal*. Now joyful, now sad, now powerful, now graceful, Champagne can be exuberant one moment and hushed the next. It can be full bodied or delightfully spirited.

White Wine

Italy and Spain

Europe really nails whites, we reckon, because it isn't afraid to hold back the fruit and shine a light on minerality and freshness. Dryness and elegance are often the key, even in richer/sweeter wines, like aged Spanish, their whites are often marked by a balance, restraint and sense of place that is quintessentially - and enviably - European.
